- Under "Staff" at the top, click on "D1 Dashboard."
- Log into Clever with Google.
- Scroll down to "Staff Resources."
- Click on "Adobe Spark."
- On the right is "Teacher or Student?"
- Click on "Log in with School Account."
- Login with Google.

To Start a Project

Create Folders for your projects

Share projects with classmates / colleagues

Video

- Open Adobe Spark
- Click on the blue + at the top to start a project
- Click on "Video"
- Chose a template to work from or

Tools:

With a video you can

- zoom in
- clip the video
- Continue on the next slide
- adjust the volume of the clip

Choose from the following to change / modify your video...

Layout Theme **Resize** Music

There are several tools for sharing and collaborating...

Important Information

Videos must be downloaded and added from the computer.

Can only import 30 seconds of a downloaded video.

You can change an imported video's volume to "loud" to hear over added music.

Adobe Spark

Graphics

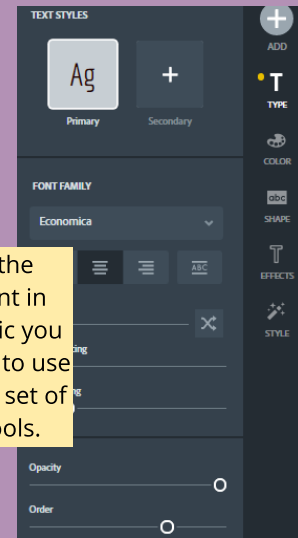

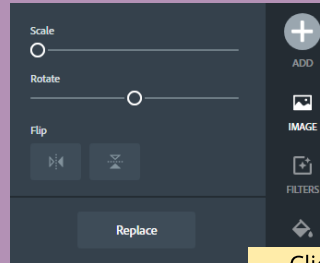

- Click on the blue + at the top to start a project
- Click on "Graphics"
- Chose a template to work from or 
- Select a size
- Choose photos: upload your own, search *free photos*, or skip this step
- Begin creating!

Graphic Editing Tools

Text Editing Tools

Image/Photo Editing Tools

Photos can only go into the background of the graphic - ie. you can't overlay images.

Images cannot be resized - they only fit into the chosen layout.

***Using the remove.bg site allows a little more flexibility with images.**

Click on the component in your graphic you want to edit to use the particular set of tools.

Concerns and Complications

- Very Limited in creative options
- Can't crop or resize images
- Stuck in the template - Can't change them
- Can only upload images & videos from the computer
- Seems to freeze often

Hints and Help

- "See More" show ALL templates
- Can share projects to collaborative assignments
- To share - "Publish" and get a link OR Download
- Drag & drop the webpage for easy access
