VOICETHREAD

Create an Account:

Go to: www.voicethread.com

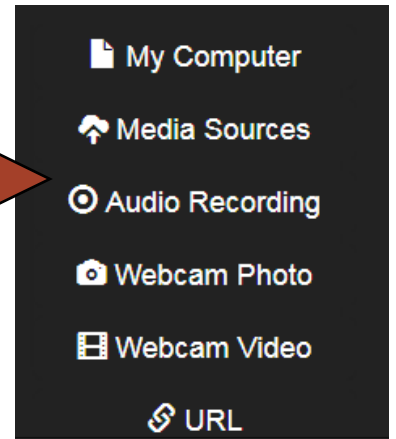

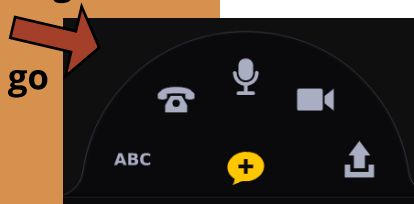

Click "Register"

Enter your name, email, and create a password.

To Create a VoiceThread

- Click on "Create"
- Add media: pictures, video, presentations
- Click & drag to change the order of the slides.
- Click in the bottom center of the image to add a comment by text, voice, or video.
- Click on the "X" in the top right to go to the home screen.

VoiceThreads are private by default.

**When in the editing screen,
click on gear icon on the right
to set "playback settings."**

<input type="checkbox"/> Pecha Kucha format	<input type="checkbox"/> Ignite format

To Share VoiceThreads:

Click on the 3 bars at the top left, beside the presentation name.

Click the "Share" option.

Retrieve a sharable link here, allowing others to comment on the VoiceThread.

Students must have accounts and login to comment on a VoiceThread.

BROWSE PRE-MADE VOICETHREADS

From the home screen, click on the "Browse" option in the middle.

From here, search by topic or other options found on the left of the screen.

Once you find one you like, open it.

In the view mode, click on the 3 lines in the top left to make a copy of your own.
