

## Getting Started

**Stories** - My Creations - Stories that I've copied from the resource bank will also appear here.

**Classes** - My Rosters of Students - These can be imported from Google Classroom.

**Resources** - Editor's Picks & Access to public stories through "Resources"

- Go to the Sutori website
- Click "Log In"
- Click "Login with Google"

*\* You will have a 30 day trial of the Unlimited version.*

*Click on the + to start a new story.*

Once you start your story...

1. Click on the  to add an element to the story / timeline.
2. You will be given a variety of options. Choose what you want to use.
3. Type the text, drag your pictures / videos, to complete your story / timeline element.
4. At the bottom of each box are several choices.
  - a. Share - Lets them share the element in Google Classroom.
  - b. 2-sided arrow - expands the element to fill across the screen.
  - c. 4-sided arrow - moves the element up / down the timeline/ story.
  - d. Trashcan - deletes the element.

When the timeline/story is complete, it can be shared through the "Share" button underneath the banner. It can be shared through Google Classroom.

Timeline/stories can be made private here. If they aren't private, then they are visible

*When an element isn't complete, a red box will appear around the unfinished item.*

## Good To Know Info:

### **Only want part of a Youtube video?**

Here's a trick! At the end of the Youtube link, add: "&start=XXX&end=XXX" -- XXX being the number of seconds.

EX:<https://www.youtube.com/watch?v=47tc30NMPPEM&start=34&end=125> starts at 34 seconds and ends at 2m5s.

There are lots of places to find help.
